

We are about to begin our journey through Lent – the season of preparation. During this season, we examine our relationship with Christ. We reflect on how we worship Christ, how we listen to him, and how we follow the call He gives each of us. This season is a time to center ourselves and readjust or even restart our relationship with God.

Most people think that Lent is a time of giving something up (supposedly to show our dedication to God). We like to give up some food or activity (that many times we don't really like) and say we are doing it for Lent, for God. But that is just cheapening this season. It is not meant to be a season of "giving something up" but rather a season of "building ourselves up." Build up rather than give up! I mean, let's be realistic and honest with ourselves. What does giving up chocolate, or desserts, or alcohol have to do with our faith? The other question we should be asking as Lutherans is, where does Christ ask us to give something up for Lent? The intention behind giving something up is honorable – we sacrifice something important to us to remind us of the sacrifice that Christ made for us. The reality is that the things we give up don't really feel like a sacrifice and don't remind us of our faith. So, what should we do instead?

Lent should be a season to build up our faith. We should look for activities to do to make our relationship with Christ stronger, more meaningful, and sustainable. How can we become better disciples of Christ? Could we start a reading program to read through the bible? Could we participate in a Bible Study – either through the church or through an app or book? Could we start listening to a Christian podcast or maybe even binge-watch "The Chosen?"

Can we become more active in our worship of Christ – maybe go to church more often or become part of the worship team or choir? Could we become more involved in the life of the church through one of its many committees, ministries, or leadership opportunities? Could we make a commitment to better support the church and its ministries financially? Building ourselves up could be as simple as making a commitment to improve our prayer lives. It could be adding prayer to our lives in the morning, at meals, or at bedtime. Maybe we can use our commute time to work as our prayer time.

So this Lenten season, how about you give up giving up and rather decide to build up yourselves, and your faith lives? Together, let's build up our church, let's build up our ministries, let's build up our commitment to worship and serve Christ.

## Social Ministry Committee

For many years, volunteers from Schwarzwald were part of Soup Teams. Each month, specified soups would be prepared, frozen, and then donated to the New Journey Soup Kitchen in Reading. The majority of the teams did the cooking individually in their homes and placed the gallons of soup in the church's freezer to await delivery to New Journey. We thank all of the soup team members, past and present, for their commitment and dedication to this ongoing project.

As you may recall from January's *Pulpit & Pew* article, the Penn State Extension offered a food safety seminar this past fall, which detailed procedures that should be utilized in order to assure foods are prepared in a clean and safe environment. It has been decided that these recommendations will be adopted by SLC. To comply with the guidelines, all meals will now be prepared in SLC's kitchen. Gloves, hats, and aprons will be worn during the preparation. Items used for correctly cooling hot foods for freezing and storing have already been purchased.

Our committee is in the process of brainstorming and developing new ways to continue our food ministries. We are pursuing projects that would involve the congregation. For instance, monthly soup teams could meet at the kitchen to prepare their soups.

Please know that your ideas and input are always welcomed. If you have an idea to share, we would love to hear it. Also, if you'd like to join our committee in this planning, our next meeting is on Monday, February 9, at 10:00 in the Fellowship Hall.

Thank you for your continued support.

Carol Gunzelmann, Doris and Bill Jaeger, Jan Krommes, Judi Merkel, Mary Phillips, Barb and Denton Quick, Pat Ruffner, and Peg Gumpert.

### FIRST COMMUNION CLASS

The class will be held on **Sunday, February 15**. We will meet in the church kitchen at noon. Please call the church office to reserve a spot for your child/children.

## **Christian Education Update**

The new year has welcomed some new traditions and the continuation of some established favorites. We started 2026 with a bang by wishing Jesus a happy belated birthday at the beginning of epiphany. We enjoyed some cake, watched the video of our Christmas pageant, and learned about the 3 wisemen's visit.

We are thrilled to bring back our Sunday School breakfast, Souper Bowl for Caring collection, Mardi Gras/Lent event, and a visit from Bear Creek Camp. All of these take place in February! We invite our Sunday school families to the breakfast that will take place on February 1st in Fellowship Hall. We look forward to yummy food and a mini talent show from our children! You may continue bringing soup cans in on this date to help your class win the soup collection competitions. All proceeds go to our local foodbank! We will celebrate our efforts at the Mardi Gras/Lent event. We are excited to have Collin Grooms visit us from Bear Creek Camp. He is the camp director and will join us for part of Sunday school and Worship. Our families always enjoy his energy for sharing God's Word.

Please join us for the spaghetti dinner on February 20th. The youth attending the summer Nashville trip are hosting all aspects of this event and would appreciate any and all support! Look for more information in the bulletin.

Mark these spring dates on your calendar!

### **Upcoming Events & Info**

Collin Grooms will be visiting Schwarzwald on 2/8. Parents, please come to Sunday School with your children. We will all meet in the choir room at 9:30 for activities and some information about Bear Creek Camp. Collin will also join us to lead the Worship service. Our kids always agree that he is engaging and full of life. Don't miss it!

## FEBRUARY 2026 NEWSLETTER

### MUSIC MINISTRY

During the month of February, the musical groups in the church start to rejuvenate! AS always, I remind everyone that YOU TOO are welcome to be a part of these amazing groups! Even if you dedicate a lot of time to the group, I think it should be apparent that I space things out during each month to give each group built in breaks – so – no excuse there! If this is absolutely not your thing. Then I once again encourage you to make good use of the offering envelope marked specifically for the music program to enable us to further enhance our worship services with outside guest musicians.

In February:

Youth Chimes will begin rehearsal on Sunday mornings at 9:00 promptly in the sanctuary. During the first rehearsal I hope to have the music and performance dates for everything this group will do through the month of June.

The Adult Choir and the Adult Bell Choir will perform offertory selections during this month.

On 2/8 we will have a special guest musician. Robin Lilarose will accompany our anthem on the flute as well as present a prelude. Peg Gumpert will be doing a special postlude that day as well!

You will not want to miss a collaborative effort on 2/22. Get here a little early to catch some youth and adults at their very best!

## What is Box City?

Box City is a social justice learning experience designed for youth in grades 6–12. The event combines education, empathy-building, and community action by simulating aspects of homelessness and food insecurity. Participants engage in lessons and discussions that highlight real-world challenges faced by unhoused individuals, reflect on the social and economic factors contributing to poverty, and learn how they can make a difference through advocacy and service.

By spending the night outdoors (weather permitting) and raising funds for a local shelter, youth gain a deeper understanding of compassion and community responsibility.

### Pastor's Report

We must sacrifice and be inconvenienced. With that in mind, we are giving out toys to over 500 kids. *Toys For Tots* needs volunteers. Please let Pr. Jim know if you can help.

### Doris Jaeger / Toy Give

Thank you to everyone who helped set up for our Toy Give.

### Old Business

Fire Protection Update - Because the church building is so busy in

December, updating the system will start after the first of the year.

Security - We are working on a policy for insurance purposes using state and federal laws. The policy will be reviewed by legal counsel. The church should officially appoint a security team and have a security plan.

A Sign-up Genius has been created to use for signing up for Coffee Café snacks and for "Greeters" on Sunday mornings.

### New Business

Congregational Meeting—We could use a Thrivent grant for lunch menu.

People are leaving or not attending worship when we have a supply pastor.

There is negative chatter. We will have a seminarian, perhaps a vicar and guest speakers on occasion.

Council discussed having community meals about once/quarter. We applied for a grant from Giant and received \$500 towards it.
